

ADDENDUM TO THE BOARD OF DIRECTORS' REPORT ON CORPORATE GOVERNANCE IN THE UNIVERSAL REGISTRATION DOCUMENT 2022

This addendum supplements the report on corporate governance provided for in Article L. 225-37 of the French Commercial Code, which describes the compensation paid to corporate officers during the year or awarded on the basis thereof, and forms an integral part thereof.

In particular, it supplements sections *5.3.1.2 Compensation of the Chief Executive Officer* and *5.3.1.3 AMF summary tables (AfeP Medef Code - AMF recommendation no. 2021-02)* which are included in the Universal Registration Document and which are amended as follows (in order to identify them, the amended items appear in bold italics below):

5.3.1.2 Remuneration of the Chief Executive Officer

The last paragraph of the "Annual Variable Compensation" section would be amended as follows:

"The Board of Directors, meeting on October 13, 2022, after examining the recommendations of the Nominating and Compensation Committee, noted the levels of attainment of the above-mentioned criteria and decided to grant a variable compensation of 686,250 euros to the Chief Executive Officer for the fiscal year ended June 30, 2022, corresponding to 112.5% of his fixed annual compensation.

In view of the economic context and in consultation with the Chief Executive Officer, the Board of Directors decided on November 10, 2022 to reduce the Chief Executive Officer's variable compensation to 671,000 euros, corresponding to 110% of his fixed annual compensation, so that the amount of his variable compensation would remain identical to that received in respect of the fiscal year ended June 30, 2021. In accordance with the provisions of Article L. 22-10-34 of the French Commercial Code, the payment of this variable compensation is subject to approval by the General Meeting of December 8, 2022."

The amount of the remuneration of Pascal Roché - Chief Executive Officer under the line "Remuneration due in respect of the financial year ending June 30, 2022 (detailed in Table 2)" which amounts to "1,298,170 euros" would be replaced by "1,282,920 euros" and the total amount of 1,421,970 euros is replaced by "1,406,720 euros".

(2) This amount corresponds to an accounting valuation of the long-term incentive plan for the past financial year.

As a reminder, at its meeting of 20 October 2021, on the recommendation of the Appointments and Remuneration Committee, the Board of Directors decided to set up a long-term incentive plan for the Chief Executive Officer in the form of multi-year variable remuneration conditional on the achievement of several economic and qualitative performance criteria assessed over five financial years until 2026, according to the following weighting:

- quantitative objectives: representing up to 70% of the bonus
- qualitative objectives: representing up to 30% of the bonus

The maximum amount of the bonus would be the gross annual reference salary of the Chief Executive Officer as determined on the basis of the average amount of the gross fixed compensation of the Chief Executive Officer between 1 July 2021 and 30 June 2026.

No remuneration is therefore due or was paid in respect of this financial year.

(3) Remuneration in respect of his directorship.

52.90% of the total compensation of Pascal Roché. *This amount was capped at 110% of the fixed compensation by decision of the Board of Directors on November 10, 2022, taken in consultation with Pascal Roché.*
